

OUR COMPANY

MCV ASIA LTD is a Hong Kong company established in 2000. We supply furnishings for indoor and outdoor environments. Our exclusive imported brands come from USA, Canada, Australia, Spain and Europe. Our business serves interior designers, interior architects, landscape designers, landscape architects, government entities, real estate developer and our esteemed customers.

Our INDOOR

products are personify exquisite taste in the boardrooms, conference rooms, executive offices, reception areas and public spaces of our discerning customers who value 'face' by way of timeless design and good quality. Indoor furnishings include seating, tables, casegoods, acoustic wall features, upholstery textiles and leathers. They are used in many commercial, hospitality, healthcare and education environments.

Our OUTDOOR

Streetscape / Urbanscape proprietary products personify longevity for our discerning customers who value contemporary design, robust quality and maintenance-free products.

Outdoor furnishings includes benches, chairs, tables, umbrellas, canopies, shelters, pedestrian & pathway lights, litter & recycling receptacles, bollards, planters and bike racks. MCV's diverse portfolio of outdoor products has application in many kinds of urban spaces such as streetscapes, public squares, parks, gardens, roof tops, podiums, campuses, cycle tracks, seaside trails, hospitals & clinics, hotels & resorts, retail malls, and transit stations.

Our Environment

All of MCV's suppliers make sustainability of natural resources, responsible manufacturing and recycling a vital part of their business. MCV acts according to our suppliers' business principles and standards. MCV is a member of Hong Kong Green Build Council.

Our Services

MCV has gained a reputation for reliable service. We start with offering sound solutions to the needs of our customers and their designers before any product purchase. We continue with managing the logistics with our supply partners for timely delivery and smooth installation. And we provide ongoing reliable services as the needs of our customers change over time.

Our Mission

MCV's mission is to exceed our clients' expectations with the products we provide, our customer-oriented approach, professional business practices and outstanding services. We aim to delight our clients, and therefore ourselves, in everything we do... and that is our philosophy.
